UNIVERSITY OF MIAMI MEAL PLAN CONTRACT 2022-2023

1. **Duration of Contract:** This is an academic year contract. The contract is binding upon the student for the entire academic year. This contract begins with the first meal of fall semester and extends through the last meal of the spring semester. Meals are not served during the summer or between the fall and spring semesters. The student agrees to assume all obligations provided in this "Meal Plan Contract." The academic year reference shall be in accordance with the undergraduate calendar published in the Undergraduate Bulletin. No refunds will be issued under any circumstances including in the event the academic year length changes.

2. **Payment:** The entire semester amount should be paid in full at the same time you pay other registration costs (tuition and fees) during or before the first week of classes. While this is an academic year contract, the student will be charged each semester. Non-use of a meal plan by the student does not nullify the requirement to purchase a meal plan each semester nor does it nullify the charge for an unused plan. Payments are due as specified unless the Office of Student Accounts has approved in writing deferred payment arrangements setting forth minimum periodic payment amounts and due dates. If money is owed to the University, release of transcripts or diplomas is prohibited.

3. **Mandatory participation:** Enrollment in any of the residential colleges requires participation in a Residential Meal Plan [Unlimited, 19, 14 Traditional Meal Plan] or [175, 100 Block Meal Plan]. First Year students, students with less than 24 credits or one semester on campus, residing in any of the residential colleges must choose from the Unlimited, 19 and 14 meal plan options and are bound to this requirement for the entire academic year, regardless of change in class standing during course of the year. Graduate and undergraduate students who are 25 or older as of September 1st of the contract year are excluded from this requirement. Commuters, Lakeside Village Apartment and University Village Apartment students may participate in any meal plan. "The Meal Plan Contract" can be initiated or upgraded at any time. If a plan is not selected or if a plan is incorrect as requested based upon housing assignment, an eligible plan will be assigned by Dining Services.

4. **Lakeside Village participation requirement:** Lakeside Village is comprised of suites and apartments. Lakeside Village Suite residents are required to minimally purchase a 250 Dining Dollar plan each semester (fall and spring).
